

Straight Outta Control

Ever wonder why airplanes crash? What happens in the cockpit that starts the chain of events that, all too often, lead to disaster and tragedy? Take a close-up look at loss of control accidents with CFI Bill Woodbury at this important seminar. Review case studies, see what happened and - most importantly - discover what YOU can do to make sure it doesn't happen to you.

Directions: From Hwy 99, Merle Haggard Drive East to Airport Drive. South on Airport Drive to Skyway Drive.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
